PROTECTA
Fall Protection

Raising the bar. Not the price.

**The new generation
of 3M™ Protecta®
Fall Arrest Harnesses.**

Introducing the range

The new generation of 3M™ Protecta® Fall Arrest Harnesses.

3M Protecta Fall Arrest Harnesses provide reliable protection, comfort and convenience; now with upgraded features and a sleek, modern look – all at an affordable price.

Available in a variety of styles and configurations, these new harnesses have enhanced features including water and stain resistant webbing, auto-resetting lanyard keepers as well as softer and more durable hip padding.

The new 3M Protecta Fall Arrest Harness range – raising the bar but not the price.

Style 1

Standard vest

Style 2

Comfort belt

Style 3

Standard vest, horizontal leg straps

Style 4

Comfort belt, horizontal leg straps

Features and benefits

All models

- New** 1. Conveniently placed front fall arrest D-ring helps you stay balanced and centred*
- New** 2. Auto-resetting lanyard keeper provides easy parking and release of snap hooks or carabiners*
- New** 3. Easy and clear identification of fall arrest anchorage points
- New** 4. Hook and loop web ends – no loose web ends help you stay comfortable and tangle-free

* Applicable models with front fall arrest D-ring only

- New** 5. Stain and water resistant webbing keeps the harness cleaner and dryer
- New** 6. Impact indicators make it simple to inspect the harness for damage and help ensure it's safe to use*
- New** 7. Modern black components – zinc plated steel with electro deposit paint finish
- New** 8. Protected labels for long-term identification and inspection

*Excludes model 1161600, 1161601 & 1161602

Comfort belt style harness

- New** 1. Softer and more robust hip pad is 3x thicker* for extra comfort
- New** 2. Durable and sturdy belt for tool bag carrying convenience

* Compared to previous model

Standard vest style with horizontal legs

- New** 1. Articulated rings on horizontal leg straps allow upper and lower body to twist providing greater freedom of movement

Comfort belt style with horizontal legs

- New** 1. Articulated rings on horizontal leg straps allow upper and lower body to twist providing greater freedom of movement
- New** 2. Rotating belt enables movement within the harness while working in restraint/positioning
- New** 3. Gear tool loops* – tools can be secured while working at heights, to keep people and property safe anywhere below you

* Gear tool loops offered as standard on models 1161645, 1161646 & 1161647. Gear tool loops (accessory 1150492) can be retro-fitted on all other belted models

Comfort Leg Padding as standard on models 1111645_46_47. For other models the accessory 1150494 is available and can be retro-fitted
